DECISION ON ATTORNEY'S FEES AND COSTS¹

On November 9, 2020, Linda Jarosz filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the "Vaccine Act"). Petitioner alleges that she suffered right shoulder injuries related to vaccine administration resulting from an influenza vaccine she received on October 22, 2019. Petition at 1. On December 20, 2022 a decision was issued awarding compensation to Petitioner based on the parties' stipulation. ECF No. 28.

¹ Because this Decision contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the Decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

Petitioner has now filed a motion for attorney's fees and costs, dated March 24, 2023 (ECF No. 33), requesting a total award of \$11,957.62 (representing \$11,131.00 in fees and \$826.62 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. *Id.* at 2. Respondent reacted to the motion on March 27, 2023, indicating that he is satisfied that the statutory requirements for an award of attorney's fees and costs are met in this case, but deferring resolution of the amount to be awarded to my discretion. ECF No. 34. On March 28, 2023, Petitioner notified the SPU fees paralegal that Petitioner did not intent to file a reply to Respondent's response to Petitioner's application for fees and costs. *See Informal Remark*, March 28, 2023.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs for successful claimants. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$11,957.62** (representing \$11,131.00 in fees and \$826.62 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel, **Leigh Finfer**. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk of Court shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
